School Planning Advisory Group

Steps involved in the planning of a new school will be discussed at Monday's meeting of the Torrance Educational Advisory Committee.

Scheduled to be held at the Torrance Masonic Hall, 2336 Cabrillo, Dr. Bernard Garen, head of the district's school construction program, will describe the steps necessary in school planning and building.

Election of new officers also will take place at the meeting. Mrs. Otto Willett, head of the nominating committee, will present a report. A building report will be given by S. E. Waldrip, assistant superintendent, and the Torrance High Madrigal Singers, led by Gustav Hopkins, will appear.

COLORS

Colors can raise our spirits, impart serenity or kindle excitement, according to the Nov. Reader's Digest. Automobile drivers feel a greater challenge to pass a red, maroon or yellow car than a black, blue or green one. A red dress appears closer than a blue one the same distance away.

Expect 30,000 Scouts to Appear at November 26 Jamboree Showing

Local Scouting's Biggest Show, the annual Jamboree, will play to its greatest audience on Saturday, November 26, at the Exposition Park Sports Arena.

Normally held during February at the Shrine Auditorium, the expected increase in the normally huge crowds has forced the move to the arena.

Nearly 30,000 Cubs and Scouts will witness the event at morning and evening shows.

Cub Scouts will attend at 9:15 a.m., while Boy Scouts take over the arena at 1 p.m. Two hundred teen-age Explorers will act as ushers and crowd-control personnel.

Tickets to the show are now available. They are free, but an official Scout registration card must be shown for every ticket requested. Only Cubs and Scouts in uniform will be admitted to the Sports Arena.

A special feature of the Jamboree this year will be recognition of approximately 5000 Cubs and Scouts who hold "Golden Key Recruiter" awards.

These boys have brought approximately 600 new Cubs and Scouts into the Los Angeles area council since Sept. 1.

Every Scout recruiting a new boy receives special golden pass entitling him to first choice of seat at the arena, and making him eligible for major prizes drawn at the Jamboree.

The prizes include bicycles, Scout equipment, clothing and sports equipment, courtesy of the May Company.

Henry and William Keauch are producers of the Jamboree show.

Working with them on the membership recruiting theme of this year's Jamboree is Robert J. Cheney, chairman of the council organization and extension committee.

Business-School Tour Scheduled

Torrance Schools have accepted an invitation from the local Chamber of Commerce to hold the fourth annual Business - Industry - Education Day next March 17.

Under the program, Torrance's more than 1000 teachers will visit various businesses and industries in the area to learn how the free enterprise system works. Such an observance was held in 1958 and 1959, with the businessmen visiting schools last year.

Event is intended to promote better understanding between the teachers and businessmen, and to let them know the problems involved in both areas.

SWEET GUM

We never arrive at Nov. on our calendar without a word of thanks for the seasonal color afforded us by Sweet Gum (Liquidambar styraciflua). The rich red-to-copper tones are the nearest to real autumn color we get in most areas and liberal use of this tree cannot be too highly recommended. In parkways, its modest growth will never become overbearing—a quality which also makes it adaptable to lawn plants and small garden use.
